

FLINT RESEARCHER SUMMIT

NETWORKING AND CONVERSATION

SEPTEMBER 25, 2018

3:00 - 5:00 PM

KELLOGG HOTEL AND
CONFERENCE CENTER
ROOM 103 A & B

Do you want to learn what other MSU researchers are doing in Flint?

There are many MSU researchers from various disciplines who currently do research in Flint. If you want to learn about the breadth of research in Flint, then join us on Tuesday, September 25.

This is a unique opportunity to meet fellow researchers who work in Flint (or who are interested in working in Flint) for the purposes of forming research partnerships.

Please join us! Register at:

“As a researcher working in Flint, it was very helpful to hear about other research and community efforts going on outside of my area of expertise. I learned more about the Flint context and about potential collaborators and resources.”
