### CHAMP
**Mathematics**
Highly advanced math students can enroll in this accelerated math program! Study Algebra I, Algebra II, Geometry, and Pre-Calculus.

### ISHALL
**Humanities, Arts Language, and Literature**
Academically advanced readers will study a wide range of texts and media in literature and the humanities including novels, biography, plays, poetry, and film.

### LEAF
**French Language**
Students with a passion for French language and culture can complete four years of high school French curriculum in just two academic years. In LEAF 2, students prepare with their instructors to take the AP French Exam.

### ALL
**Latin Language**
Amo Linguae Latinam—"I Love Latin!" Students will study language and linguistics and discuss the role Latin has played in the development of the English language.
