

25 Years of Outreach in the 4-H  
Children's Garden:  
**Experience Plants**

Take a quick look at 25 years of science education in the 4-H Children's Gardens and spend some time experiencing plants through hands-on activities.

Come for a short, fun plant respite in the middle of your busy day and week!

Speaker: Dr. Norm Lownds, Director

**Tuesday, October 2, 12p-1p, 4-H Children's Garden**
