## Proposal Services

### Research Facilitation & Dissemination

The Research Facilitation and Dissemination team provides guidance and proposal support for MSU researchers to enhance the competitiveness of their grant proposals. **All services are provided to the university community at no cost.**

- Proposal development and consulting (i.e., grant writing, grant editing, reviewing, and data mining)
- Grant project management and coordination for collaborative, cross-college and multi-institutional research grant proposals
- Support with creating budgets, and drafting supplementary materials
- Coffee Break seminars and webinars
- Exploring funding
- Assistance with federal funding agency site visits

Please contact: Lauren Aerni-Flessner, Ph.D., MBA, [aernifle@msu.edu](mailto:aernifle@msu.edu), Shobha Ramanand, Ph.D., [Ramanand@msu.edu](mailto:Ramanand@msu.edu), Mary Anne Walker [mawalker@msu.edu](mailto:mawalker@msu.edu).

### Special Consulting Services

Special consulting services have been developed to assist MSU researchers with proposal preparation support. These services complement those offered by Research Facilitation & Dissemination and focus on specialized areas by funding entity such as NIH and NSF. Please see the [Special Consulting Services](#) page for details on services offered and associated fees.

- Grant editing
- Peer-review coordination
- Proposal consulting
- First draft review (with comments)
- Structure of your proposal
- Exploring funding
- Seminars and webinars
