

Transformations in Higher Education

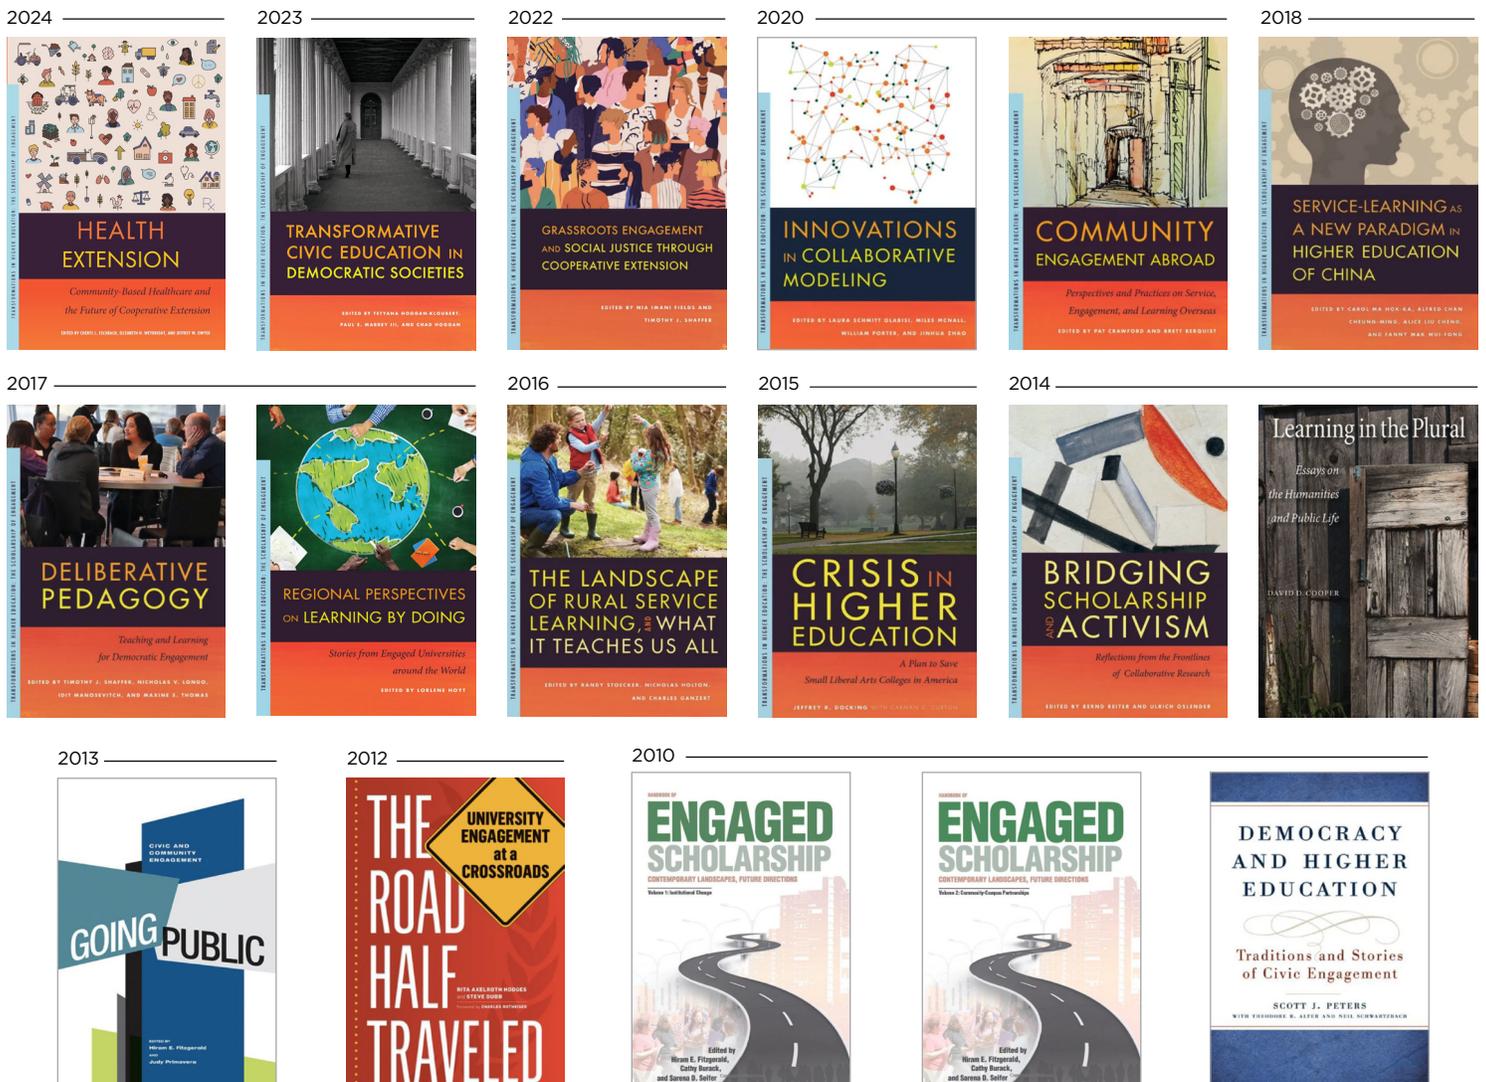

THE SCHOLARSHIP OF ENGAGEMENT SERIES

Series editors: Burton A. Bargerstock, Laurie A. Van Egeren, Hiram E. Fitzgerald, and Kwesi Craig C. Brookins

Transformations in Higher Education: The Scholarship of Engagement is a peer reviewed book series published by the Michigan State University Press in partnership with MSU's Office for Public Engagement and Scholarship. The series explores issues surrounding university-community partnerships and collaborations, and other scholarly work that seeks to both advance understanding and contribute to the public good.

INTERESTED IN PUBLISHING IN THE SERIES? Scholars from all disciplines and fields are invited to submit proposals for consideration. For more information and guidelines, see: engage.msu.edu/thebookseries.
