Discover a wide range of exciting opportunities for youth to improve their knowledge and skills in specific subject areas.

200+ Offerings > Summer Camps | Precollege Courses | Residential Programs | Fun Activities

MSU's Spartan Youth Programs (SYP) website displays a wide range of exciting opportunities for youth to improve their knowledge and skills in specific subject areas. With over 200 listings, the SYP is the comprehensive source for finding resources in:

- Agriculture
- Art
- Business
- Computers
- Engineering
- Languages
- Math
- Music
- Science
- Sports
- Writing
- And more

- Precollege programs are an excellent way for students to explore career possibilities while being introduced to the college environment.
- Programs are offered during the summer and during the school year.
- Several programs offer high school students the opportunity to earn college credit.
- Many programs offer students the opportunity to stay on the MSU campus during the program.
- Financial Aid is available for some programs.
