Media Notes:

Twenty-three MSU students will be recognized with the national Presidential Volunteer Service Award for completing 100-plus hours of volunteer service within a one-year time frame in accordance with PVSA guidelines. The honor includes a certificate of accomplishment, and a congratulatory letter from President Barack Obama for each recipient.

PVSA is an initiative of the Corporation for National and Community Service and is administered by Points of Light, the largest organization in the world dedicated to public service. The shared mission calls for inspiring more to answer the call to service and celebrating the impact that can be made in bettering our communities and our world.

The student awardees are invited to join the MLK Commemorative March for Justice and Dinner at the request of MSU's Project 60/50 and the Dr. King Planning Committee.

***Marc Hunsaker, program manager with the Center for Service-Learning and Civic Engagement is available for comments and further information. A news release with recipient names will be available after the Jan. 18 MLK activities.
